## IMPRISONMENT

As to the one-count information, it is adjudged that defendant is committed to the custody of the Bureau of Prisons for a term of 102 months.

I recommend that defendant receive substance abuse and mental health programming, and that he be afforded prerelease placement in a residential reentry center with work release privileges. Most importantly, I strongly recommend his placement in a facility with a sexual abuse treatment program and release to a residential reentry center with similar programming.

Defendant is in primary federal custody and he has pending charges in Marathon County, Wisconsin, Circuit Court Case No. 20CF235. According to the U.S. Supreme Court's ruling in *Setser v. United States*, 132 S.Ct. 1463 (2012), I have the discretion to impose a sentence that will run concurrently with or consecutively to any other potential sentence. (USSG § 5G1.3, Background Commentary). It has been noted that the state's prosecution intends to dismiss these pending charges following the federal sentence. Whether that is the case or not, I will stand silent on the pending state matter, believing that the state judge is in the best position to decide if incremental punishment is appropriate in light of the sentence imposed today. This will afford to the state judge to consider any victim information outside of the scope of the federal victims, if received.

A final order of forfeiture is granted for the property seized from defendant as reflected in the forfeiture order, in accordance with 18 U.S.C. § 2253.

The U.S. Probation Office is to notify local law enforcement agencies, and the state attorney general, of defendant's release to the community.

## **SUPERVISED RELEASE/PROBATION**

Defendant's term of imprisonment is to be followed by a 3-year term of supervised release, subject to the statutory mandatory conditions of supervision. In light of the nature of the offense and defendant's personal history, I adopt condition numbers **1 through 24** as proposed and justified in the presentence report, noting that neither party has raised any objections to those proposals. To these, the Court also adds the following condition, which was discussed with the parties at the time of sentencing:

**25.** Comply with the requirements of the Sex Offender Registration and Notification Act (34 U.S.C §20913, et seq.) as directed by the probation officer, the Bureau of Prisons, or any state sex offender registration agency in which defendant resides, works, is a student, or was convicted of a qualifying offense.

Finally, although the instant offense is not drug related, mandatory drug testing as set forth at 18 U.S.C. § 3583(d) for supervision cases is not waived. Drug testing is set forth in defendant's special conditions of supervision because of his history of marijuana use.

If, when defendant is released from confinement to begin his term of supervised release, either he or the supervising probation officer believes that any of the conditions imposed today are no longer appropriate, either one may petition the court for review.

---

Defendant is to abide by the statutory mandatory conditions.

### **Statutory Mandatory Conditions**

Defendant shall not commit another federal, state, or local crime. [Note: Any defendant that has been convicted of a felony offense, or is a prohibited person, shall not possess a firearm, ammunition, or destructive device pursuant to 18 U.S.C. §§ 921 and 922.]

Defendant shall not illegally possess a controlled substance. He is subject to drug testing pursuant to 18 U.S.C. § 3583(d).

Defendant shall cooperate with the collection of DNA by the U.S. Justice Department and/or the U.S. Probation and Pretrial Services Office as required by Public Law 108-405.

If this judgment imposes a fine or a restitution obligation, it shall be a condition of supervised release that defendant pay any such fine or restitution that remains unpaid at the commencement of the term of supervised release in accordance with the Schedule of Payments set forth in the Financial Penalties sheet of this judgment.

---

Defendant shall comply with the standard and special conditions that have been adopted by this court.

### **Standard Conditions of Supervision**

- 1) Defendant shall not knowingly leave the judicial district in which defendant is being supervised without the permission of the Court or probation officer;
- 2) Defendant is to report to the probation office as directed by the Court or probation officer and shall submit a complete written report within the first five days of each month, answer inquiries by the probation officer, and follow the officer's instructions. The monthly report and the answer to inquiries shall be truthful in all respects unless a fully truthful statement would tend to incriminate defendant, in violation of defendant's constitutional rights, in which case defendant has the right to remain silent;

- 3) Defendant shall maintain lawful employment, seek lawful employment, or enroll and participate in a course of study or vocational training that will equip defendant for suitable employment, unless excused by the probation officer or the Court;
- 4) Defendant shall notify the probation officer within seventy-two hours of any change in residence, employer, or any change in job classification;
- 5) Defendant shall not purchase, possess, use, distribute, or administer any narcotic or other controlled substance, or any paraphernalia related to such substances, except as prescribed by a physician. Defendant shall not use any product containing cannabidiol (CBD) or tetrahydrocannabinol (THC), except as prescribed by a physician.
- 6) Defendant shall not visit places where defendant knows or has reason to believe controlled substances are illegally sold, used, distributed, or administered;
- 7) Defendant shall not meet, communicate, or spend time with any persons defendant knows to be engaged in criminal activity or planning to engage in criminal activity;
- 8) Defendant shall permit a probation officer to visit defendant at home, work, or at some other mutually convenient location designated by the probation officer at any reasonable time and shall permit confiscation of any contraband observed in plain view by the probation officer;
- 9) Defendant shall notify the probation officer within seventy-two hours of being arrested or questioned by a law enforcement officer;
- 10) Defendant shall not enter into any agreement to act as an informer or a special agent of a law enforcement agency without the permission of the Court;
- 11) Defendant shall report to the probation office in the district to which defendant is released within 72 hours of release from the custody of the Bureau of Prisons, unless instructed by a U.S. probation officer to report within a different time frame; and
- 12) Defendant shall not possess a firearm, ammunition, destructive device, or dangerous weapon.

### **Special Conditions of Release**

13) Provide the supervising U.S. Probation Officer any and all requested financial information, including copies of state and federal tax returns.

14) Defendant shall permit the supervising U.S. Probation Officer to notify defendant's employers, friends, family, community organizations, and educational and volunteer agencies, where minors reside or regularly spend time, of the risks associated with his criminal history involving a sex offense against a minor.

15) Submit person, property, residence, papers, vehicle, computers [as defined in 18 U.S.C. § 1030(e)(1), or other electronic communications, data storage device, or media], or office to a search conducted by a U.S. Probation Officer at a reasonable time and manner, whenever the probation officer has reasonable suspicion of contraband or of the violation of a condition of release relating to substance abuse or illegal activities; failure to submit to a search may be a ground for revocation; defendant shall warn any other residents that the premises defendant is occupying may be subject to searches pursuant to this condition.

16) Participate in mental health referral, assessment, and treatment as approved by the supervising U.S. Probation Officer and comply with all rules, regulations, and recommendations of the mental health agency or its representative to the extent approved by the supervising U.S. Probation Officer. If defendant is eligible for funding from any source to cover the cost of treatment, defendant is to make reasonable efforts to obtain such funding. Participation in treatment does not require payment by defendant unless it is clear defendant can afford it.

17) Participate in a substance abuse evaluation and recommended treatment. If defendant is eligible for funding from any

source to cover the cost of treatment, defendant is to make reasonable efforts to obtain such funding. Participation in treatment does not require payment by defendant unless it is clear defendant can afford it. Defendant shall submit to drug testing beginning within 15 days of defendant's release and 60 drug tests annually thereafter. The probation office may utilize the Administrative Office of the U.S. Courts' phased collection process.

18) Abstain from the use of alcohol.

19) Defendant shall provide the supervising U.S. Probation Officer advance notification of any devices associated with or falling within the general category of information technology (IT) that produce, manipulate, store, communicate or disseminate information used by defendant. This includes external and portable hard drives. The probation office is authorized to install applications to monitor any such devices owned or operated by defendant. Defendant is required to comply with the monitoring agreement and may not disable or circumvent any applications. Defendant shall consent to and cooperate with unannounced examinations of any technological equipment owned or used by defendant, including but not limited to retrieval and copying of all data from all information technology devices and any internal or external peripherals based on reasonable suspicion of contraband or illegal activity. The examinations may involve removal of such equipment for the purpose of conducting examination.

20) Not possess any visual or audio recording devices.

21) Not possess any depictions of sexually explicit conduct of minors as defined in 18 U.S.C. § 2256(8).

22) Not meet or spend time with any person under the age of 18 or have verbal, written, telephonic or electronic communication with any such person, except with the express permission of the minor's parent or legal guardian and the supervising U.S. Probation Officer. This provision does not include persons under the age of 18, such as waiters, cashiers, ticket vendors, etc., with whom defendant must deal in order to obtain ordinary and usual commercial services.

23) Not work in any occupation, business, or profession, or participate in any volunteer activity where defendant has access to children under the age of 18 without the prior approval of the supervising U.S. probation officer.

24) Have no contact with the victims in person, through written or electronic communication, or through a third party, unless authorized by the supervising U.S. Probation Officer. Defendant shall not knowingly enter the premises or loiter within 1,000 feet of the victim's residence or place of employment.

25) Comply with the requirements of the Sex Offender Registration and Notification Act (34 U.S.C §20913, et seq.) as directed by the probation officer, the Bureau of Prisons, or any state sex offender registration agency in which defendant resides, works, is a student, or was convicted of a qualifying offense.

## CRIMINAL MONETARY PENALTIES

Defendant shall pay the following total financial penalties in accordance with the schedule of payments set forth below.

<u>Count</u>	<u>Assessment</u>	<u>Fine</u>	<u>Restitution</u>
1	\$100.00	\$0.00	\$0.00
<b>Total</b>	\$100.00	\$0.00	\$0.00

It is adjudged that the defendant is to pay a \$100 criminal assessment penalty to the Clerk of Court for the Western District of Wisconsin immediately following sentencing. He is encouraged to honor his agreement to pay this obligation by the day of sentencing. Failure to pay the assessment may result in preclusion from certain programming while confined in the federal prison system.

Defendant does not have the means to pay a fine under § 5E1.2(c) without impairing his ability to support himself and his minor child upon release from custody, so I will impose no fine.

## RESTITUTION

As of this time, the Court has not received any formal request for restitution. In the event the government or probation office learn of any victim wishing to pursue restitution, a restitution hearing is scheduled for October 29, 2021, at 1:00 p.m. as authorized under 18 U.S.C. § 3664(d)(5).

## **SCHEDULE OF PAYMENTS**

Payments shall be applied in the following order:

- (1) assessment;
- (2) restitution;
- (3) fine principal;
- (4) cost of prosecution;
- (5) interest;
- (6) penalties.

The total fine and other monetary penalties shall be due in full immediately unless otherwise stated elsewhere.

Unless the Court has expressly ordered otherwise in the special instructions above, if the judgment imposes a period of imprisonment, payment of monetary penalties shall be due during the period of imprisonment. All criminal monetary penalties, except those payments made through the Federal Bureau of Prisons' Inmate Financial Responsibility Program, are made to the Clerk of Court, unless otherwise directed by the Court, the supervising U.S. probation officer, or the United States Attorney.

Defendant shall receive credit for all payments previously made toward any criminal monetary penalties imposed.

In the event of a civil settlement between victim and defendant, defendant must provide evidence of such payments or settlement to the Court, U.S. Probation Office, and U.S. Attorney's Office so that defendant's account can be credited.
